

PENOPT ORDER FORM - EVALUATION

The following codes and documentation are distributed electronically.

PENNLP <input type="checkbox"/>	PENSDP <input type="checkbox"/>	PENBMI <input type="checkbox"/>	PENNON <input type="checkbox"/>
--	--	--	--

Linux 32	Linux 64	MS Windows 32	MS Windows 64
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

The unit price for the evaluation license is €200.

Prices are given without VAT. EU customers should provide their VAT number or add 19% VAT to the listed price. Customers in Germany must add 19% VAT (MwSt).

This price will apply as a credit towards the purchase price of the commercial license, provided the commercial license is purchased within 30 days of expiration of the evaluation license.
